

# DOCUMENTING YOUR VEHICLE

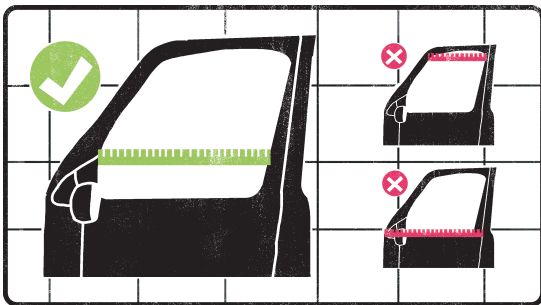

## The Do's of Measuring

When measuring Doors, Rears and Tailgates. Go from seam to seam, and go just under the handles

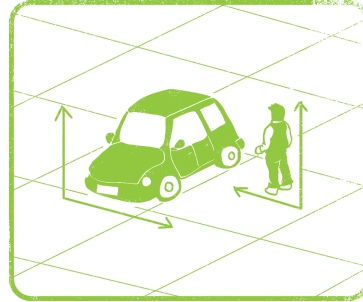

For Pickup beds and Tailer rails, Measure the entire length of the bed or rails

To measure windows only measure the widest part of the glass, Don't include the molds or seals

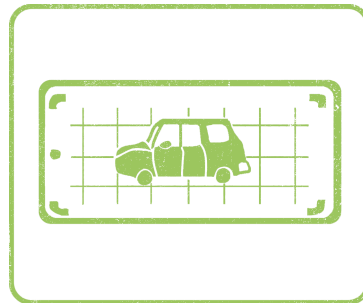

## Do's & Dont's of photography

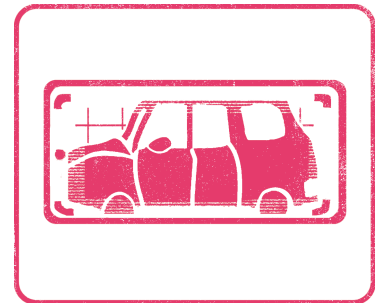

Do Square off with your vehicle

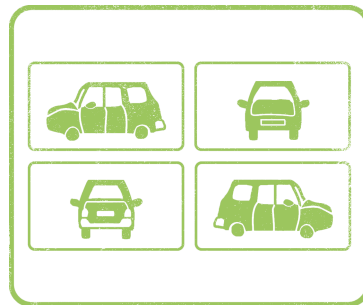

Don't Square up with your vehicle

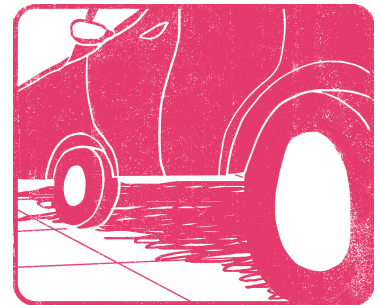

Zoom out with your camera

Don't Zoom in too mcuh

Do include the entire body of the vehicle

This is not the time to be creative :)
